RE: Truman & Roosevelt Access

Dear Residents:

In conjunction with the 2023 Ugstad Rd & Arrowhead Rd Improvements project, there will be upcoming construction activities that will affect access to Jackson Estates.

Starting on Monday, June 5, construction crews will close Truman Drive to complete work associated with culverts. This access point into Jackson Estates will remain closed through Tuesday, June 6. It will be opened as soon as possible.

Starting on Wednesday, June 7, construction crews will then do the same type of work on Roosevelt Drive. This access point will then be closed through Friday, June 9. At this point, residents of Jackson Estates will need to utilize Truman Drive to reach their homes.

The City learned of this schedule shift at 8:15 a.m. on Monday, June 5 and was able to post this update on the website by 8:30 a.m. We know that moving schedules like this are not ideal for residents, but we appreciate everyone's patience and understanding. Our contractor is working with multiple crews to put together the best project, and with that can sometimes come last-minute changes.

Even with these road closures this week, residents will be able to reach their homes. The same is true of emergency vehicles, should they be needed.

Thank you for your patience and understanding during construction.
